

## PetMommy Medical Release Form

This is a required form for all PetMommy participants receiving services

First and foremost is the safety and wellbeing of your pet(s). Insuring that your pet remains safe and well cared for is our first responsibility and as such we take it very seriously. We do our best to have our pet parents screen for pre-existing health conditions, but some factors may be beyond our control. In the event that a medical emergency arises while your pet is at our facility or participating in a service we provide, it is imperative that we seek medical treatment immediately at the closest available facility. We will call ahead to the vet office to ensure they can handle the present emergency. Your pet will be rushed for treatment and you will be notified. We notify the owner after we have secured a medical treatment center to avoid delays that may be caused by emotion on part of the owner. Our goal is to get medical attention as quickly as possible and any distractions may interfere with that process.

For this reason, we require our pet parents sign this form

I understand that in the event of a medical emergency that PetMommy, at its sole discretion, deems to need the immediate attention of a licensed veterinarian; I authorize PetMommy to seek medical attention at the closest available facility. I further agree that I am financially responsible for any medical treatment my pet(s) receives as a result of a medical emergency while attending services provided by PetMommy. I will reimburse to PetMommy any expenses incurred on behalf of medical treatment, medications, etc...that they have expended with copies of paid receipts.
